Re: Letter dated May 9, 2014 Reference April Quarterly Report (02/13/2014-03/31/2014)

On March 4, 2014, the following Miscellaneous Report was filed with the FEC:

An Amended 48 Hour report was filed today. The reason for the amendment was we received checks on Monday from an agent

of the campaign that were not included on the original report. We were unable to contact anyone at the FEC yesterday because of the weather related shutdown of the Federal government offices.

On the report were the contributions for American Sheep Industry Association, Inc. 03/01/2014 for \$1,000.00 and Valero Political Action Committee 03/01/2014 for \$1,000.00.

The contributions for Investment Company of America 02/26/2014 for \$1,000.00 and Vaughan, Michael D Mr. 02/26/2014 for

\$1,250.00 were input into the database on 02/26/2014 but the system assigned a 03/12/2013 date to the transactions. At month end the error was noted and the correction was made in the database. An Amended 48 Hour report has been filed.

If you have any questions, please contact me.

Thank you,
